Conditions of guarantee

What is covered

Clearstone Paving resin-bound aggregate surfacing is guaranteed for **12 years** from the date of installation against:

- Stone Migration
- UV Degradation
- Poor Quality Workmanship
- Frost Damage
- Cracking
- Colour Change
- Oil Damage

This guarantee is only valid if:

- A suitably prepared and installed substrate and base has been provided in accordance with our specification
- The advice of the Clearstone Paving **After Care and Maintenance Guide** has been followed

What is not covered

This guarantee does not cover damage caused by:

- Insufficient design of the base for anticipated usage or ground conditions
- Forceful impact, excessive loading or excessive usage, e.g. HGVs or skip lorries
- Chemical acid spills which can degrade the resin
- Mineralogical variations in the aggregates which may affect their physical and mechanical properties
- Reflective cracking from underlying concrete, asphalt or any other base
- Sinkage, frost heave damage, tree root and deformation or wheel tracking of any underlying structural layers

Minor colour variations

The aggregates used in the resin-bound system are quarried natural products and as such there may be small colour variations within an installation. In appointing Clearstone Paving Ltd the client acknowledges and accepts this. Any colour variation of the aggregate is not permitted to be used as a measurement of an unsatisfactory installation.

Notice of defect must be given in writing. Keep this guarantee in a safe place.

Guarantee Information

Project guarantee comes into effect upon receipt of all outstanding payments. This includes all retentions. The warranty date will be taken from the date of installation. In the event that any part of any payment is withheld, Clearstone Paving Limited reserves the right to void any guarantee offered.

The terms of our guarantee are the equivalent of all other reputable companies providing these services.
